

NEW LUNCH PRICES

Lunch prices at Donegal have been in effect since August, 2008. During the past three years, increased cost of food, supplies and labor require us to change lunch prices effective August 29, 2011:

LUNCH:

High School and Middle School students: \$2.00

Elementary students - \$1.75

Reduced price lunch remains \$0.40

There is no change in the price of breakfast and a la carte milk:

BREAKFAST:

High School and Middle School students: \$1.25

Elementary students: \$1.00

Reduced price breakfast: \$0.30

A la carte milk: \$0.45

Donegal meal prices are among the lowest in Lancaster County public schools. Food Service staff will continue to work hard to keep prices low.
